**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SETFORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**Clause 1**

**CO-OPERATION**

1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed regarding technical aspects.

1.2 The co-operation between First Party and Second Party will facilitate effective mutual utilization of the intellectual capabilities.

**Clause 2**

**SCOPE OF THE MOU**

2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.

2.2 The Second Party will give valuable inputs to the First Party in teaching/training methodology so that the students fit into the industrial scenario meaningfully.

2.3 The interaction between Industry and Institute will give an insight into the latest developments /requirements of the industries. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career for the hands-on training of the learners enrolled with the First Party.

2.4 The Second Party will train the students of the First Party on the suitable technologies in order to bridge the gap between academy and industry.
